Independent Auditor's Report

To the Members of Council, Inhabitants and Ratepayers of
The Corporation of the Town of Kearney

Opinion

We have audited the consolidated financial statements of The Corporation of the Town of Kearney ("the Town"), which comprise the consolidated statement of financial position as at December 31, 2021, and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of The Corporation of the Town of Kearney as at December 31, 2021, and its results of operations, its changes in its net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Town and the organizations it controls to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE CORPORATION OF THE TOWN OF KEARNEY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Year Ended December 31, 2021

MANAGEMENT RESPONSIBILITY

The consolidated financial statements of the Corporation of the Town of Kearney (the "Town") are the responsibility of management and have been prepared in accordance with Canadian generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of significant accounting policies is provided in Note 1. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management maintains a system of internal controls to provide reasonable assurance that reliable financial information is produced. The internal controls are designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements.

1. SIGNIFICANT ACCOUNTING POLICIES

Significant aspects of the accounting policies adopted by the Town are as follows:

(a) Reporting Entity

These consolidated statements reflect the assets, liabilities, revenue, expenses and accumulated surplus of the reporting entity. The reporting entity is comprised of all committees of Council and the boards, joint boards and municipal enterprises for which Council is politically accountable as follows:

(i) Consolidated and proportionally consolidated entities

The following local board is consolidated:

Kearney & Area Public Library

The following local committee is proportionally consolidated:

-Kearney-Perry Joint Waste Management Committee

Inter-organizational transactions and balances between these organizations are eliminated.

(ii) Non-consolidated entities

The following joint boards are not consolidated:

North Bay Parry Sound District Health Unit

Parry Sound District Social Services Administration Board

Eastholme, District of Parry Sound (East) Home for the Aged

(iii) Accounting for school board transactions

The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the school boards are not reflected in these consolidated financial statements.

THE CORPORATION OF THE TOWN OF KEARNEY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Year Ended December 31, 2021

(b) Basis of Accounting

(i) Accrual basis of accounting

Revenue and expenses are reported on the accrual basis of accounting. Revenue is recognized in the year in which it is earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(ii) Cash

Cash includes cash on hand and balances held at financial institutions.

(iii) Investments

Investments are recorded at cost plus accrued interest.

(iv) Non-financial assets

Non-financial assets are not available to discharge existing liabilities but are held for use in the provision of municipal services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(a) Tangible capital assets

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Tangible capital assets received as donations are recorded at their fair value at the date of receipt, and that fair value is also recorded as revenue. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Land improvements - 20 to 60 years
 Buildings - 15 to 95 years
 Machinery, equipment and furniture - 10 to 20 years
 Computer hardware and software - 2 to 10 years
 Vehicles - 10 to 25 years
 Roads - 3 to 50 years
 Bridges and culverts - 25 to 60 years
 Library books - 5 years

One half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

Estimated closure and post-closure expenses for active landfill sites as well as the land occupied by the sites are amortized annually on the basis of capacity used during the year as a percentage of the estimated total capacity of the landfill site.

Interest related to the acquisition of capital assets is not capitalized, but is expensed in the year incurred.

(b) Inventories of supplies

Inventories held for consumption are recorded at the lower of cost and replacement cost.

THE CORPORATION OF THE TOWN OF KEARNEY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Year Ended December 31, 2021

- (v) Deferred Revenue
Revenue restricted by legislation, regulation or agreement and not available for general municipal purposes is reported as deferred revenue on the Consolidated Statement of Financial Position. The revenue is reported on the Consolidated Statement of Operations in the year in which it is used for the specific purpose.
- (vi) Reserves and reserve funds
Certain amounts, as approved by Council, are set aside in reserves and reserve funds for future operating and capital purposes. Balances related to these funds are included in the accumulated surplus of the Consolidated Statement of Financial Position.
- (vii) Government transfers
Government transfers are recognized in the financial statements as revenue when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the Consolidated Statement of Operations as the stipulation liabilities are settled.
- (viii) Taxation and related revenue
Tax rates are established annually by Council, incorporating amounts to be raised for local services and amounts the Town is required to collect on behalf of the Province of Ontario in respect of education taxes. Property tax billings are prepared by the Town based on assessment rolls, supplementary assessment rolls and other assessment adjustments issued by the Municipal Property Assessment Corporation ("MPAC"). Taxation revenue is initially recorded at the time assessment information is received from MPAC and is subsequently adjusted based on management's best estimate of the amount of tax revenue resulting from assessment adjustments that have not yet been received from MPAC. The Town is entitled to collect interest and penalties on overdue taxes. This revenue is recorded in the period the interest and penalties are levied.
- (ix) Pensions and employee benefits
The Town accounts for its participation in the Ontario Municipal Employee Retirement System ("OMERS"), a multi-employer public sector pension fund, as a defined contribution plan. Sick leave benefits are accrued as the employees render the services necessary to earn the benefits.
- (x) Use of estimates
The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the period. These estimates and assumptions are based on management's historical experience, best knowledge of current events and actions that the Town may undertake in the future. Significant accounting estimates include valuation allowances for taxes and accounts receivable, estimated useful lives of tangible capital assets, employee sick leave benefits liability, solid waste landfill closure and post-closure liabilities and supplementary taxes. Actual results could differ from these estimates.

8. DEFERRED REVENUE-OBLIGATORY RESERVE FUNDS

The Town receives payments in lieu of parkland under the Planning Act, federal Community-Building (previously gas tax) funding and provincial Main Street revitalization funding under agreements with the Association of Municipalities of Ontario and Ontario Community Infrastructure Fund funding under an agreement with the Ministry of Infrastructure. Legislation restricts how these funds may be used, and under certain circumstances, how these funds may be refunded.

In the case of payments in lieu of parkland, revenue recognition occurs when the Town has approved eligible expenditures for park and other public recreation purposes. Community-Building, Main Street revitalization and Ontario Community Infrastructure Fund revenue recognition occurs when the Town has approved the expenditures for eligible operating expenditures and capital works.

Details of the deferred revenue-obligatory reserve funds reported on the Consolidated Statement of Financial Position are as follows:

	2021	2020

9. EMPLOYEE BENEFITS PAYABLE

Under the sick leave benefits plan, employees covered by the Town's collective agreement with the Canadian Union of Public Employees are entitled to accumulate unused sick leave to a maximum of 45 days and are entitled to a cash payment of two-thirds of their accumulated time, to a maximum of 20 days, when they leave the Town's employment. Sick leave benefits for management employees are negotiated on an individual basis. The sick leave benefit liability estimates the use of accumulated sick leave prior to retirement as well as lump-sum payments upon retirement, and assumes that both the appropriate discount rate and future salary and wage levels will increase by 2% per annum. The liability for these accumulated days amounted to \$31,016 (2020 \$32,315) at the end of the year.

THE CORPORATION OF THE TOWN OF KEARNEY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS Year Ended December 31, 2021

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS Year Ended December 31, 2021

11. LANDFILL CLOSURE AND POST-CLOSURE LIABILITY

Landfill closure and post-closure care requirements have been defined in accordance with industry standards and include final cover and landscaping of the landfill sites, management of groundwater and leachates, and ongoing environmental monitoring and site inspection and maintenance. Estimated expenditures related to the closure and subsequent maintenance of the sites are recognized in the financial statements over the operating life of the sites, in proportion to their utilized capacity.

The Town is currently responsible for two waste disposal sites as follows:

The Town of Kearney landfill site stopped accepting waste in 2001 and is now in the monitoring stage. The liability for this landfill site is \$58,743 (2020 \$74,733) and represents the present value of closure and post-closure costs for 100% of the total site area, using an estimated long-term borrowing rate of 1.92% (2020 1.31%) and inflation rate of 1.8% (2020 1.6%). Post-closure care is estimated to continue for a period of 5 years (2020 6 years).

The Township of Perry and the Town of Kearney jointly operate a landfill site through the Kearney-Perry Joint Waste Management Committee. The liability for the landfill site is recorded at \$162,000 (2020 \$170,000) and represents the present value of closure and post-closure costs for 29% of the approved site area, using an estimated long-term borrowing rate of 2.85% (2020 2.15%) and inflation rate of 1.8% (2020 1.6%). The total estimated future expenditures - representing the sum of the discounted future cash flows for closure and post-closure care - are \$837,180 (2020 \$965,930), leaving an amount to be recognized of \$675,180 (2020 \$795,930). The estimated remaining capacity of the site is approximately 95,993 cubic metres, estimated to be filled in 52 years. Post-closure care is estimated to be required for a period of 25 years. The Committee has closure reserves of \$308,126 (2020 \$307,713) to fund this liability.

The Town has recognized \$71,442 (2020 \$75,140) in the financial statements related to its proportionate share of this liability.

12. CONTRACTUAL OBLIGATIONS

In 2021 the Town agreed to purchase a fire pumper/tanker from Carrier Centers Emergency Vehicles at a cost of \$502,785 plus HST. The vehicle is expected to be delivered in December 2023.

In 2021 the Town also agreed to purchase eight SCBA units and related accessories from M&L Supply, Fire & Safety at a cost of \$113,666 plus HST. The equipment is expected to be delivered in 2022.

13. CONTINGENCIES

The Town is involved from time to time in litigation, which arises in the normal course of business. With respect to outstanding claims, in the amount of \$231,000, the likelihood and extent of loss, if any, is not yet determinable. Therefore, no provision has been made in the accompanying financial statements.

16. SEGMENT DISCLOSURES AND EXPENSES BY OBJECT

The Town and its Boards and Committees provide a wide range of services to its citizens. The schedule of segment disclosure provides a breakdown of the annual surplus (deficit) reported on the Consolidated Statement of Operations by major reporting segment. The segments correspond to the major functional categories used in the Town's Financial Information Return, which include the following activities:

General Government

This segment includes Council, Clerk's Department, and Treasury. This area supports the operating departments in implementing priorities of Council and provides strategic leadership on issues relating to governance, strategic planning and service delivery.

Protection to Persons and Property

This segment includes fire, police, building inspection, emergency measures and bylaw enforcement. Police services are provided by the Ontario Provincial Police under contract. The fire department provides vital emergency services to the community including fire prevention, public education and emergency planning.

Transportation Services

Transportation services include work relating to the planning, development and maintenance of roadway systems (including winter control activities) and street lighting.

Environmental Services

This segment includes solid waste collection, disposal and recycling services. The Town contracts its recycling services.

Health Services

This segment includes contracted ambulance services as well as payments to the district health unit.

Social and Family Services

This segment consists primarily of payments made to the district social services administration board and home for the aged for the provision of social services such as childcare, social housing, general assistance and assistance to the elderly.

Recreation and Culture

This segment includes parks, recreation programs and recreation facilities.

Library

This segment includes the consolidated library transactions of the Town and its Library Board.

Planning and Development

This segment includes activities related to planning, zoning and economic development.

Unallocated Amounts

Items are recorded as unallocated amounts when there is no reasonable basis for allocating them to a segment. Major items included in this category are property taxation and related penalty and interest charges and unconditional grants such as the Town's annual Ontario Municipal Partnership Fund grant.

17. BUDGET FIGURES

The budget adopted for the current year was prepared on a modified accrual basis, and has been restated to conform with the accounting and reporting standards applicable to the actual results. A reconciliation of the adopted and reported budgets is presented below.

	Budget
ADOPTED BUDGET:	
Decrease in general municipal operating surplus	\$ (671,354)
Decrease in Library Board operating surplus	(8,874)
Decrease in Joint Waste Management Committee operating deficit	6,181
Decrease in consolidated reserves and reserve funds	37,347
ADJUSTMENTS:	
Acquisition of tangible capital assets	1,855,054
Amortization of tangible capital assets	(759,500)
Decrease in municipal debt	21,924
ANNUAL SURPLUS	\$ 480,778

18. PENSION AGREEMENTS

The Town makes contributions to the Ontario Municipal Employee Retirement Fund (OMERS), which is a multi-employer plan, on behalf of certain members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2021. The results of this valuation disclosed total actuarial liabilities of \$120,796 million with respect to benefits accrued for service with actuarial assets at that date of \$117,665 million indicating an actuarial deficit of \$3,131 million. Because OMERS is a multi-employer plan, any Plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Town does not recognize any share of the Plan surplus or deficit.

The amount contributed to OMERS for 2021 was \$84,532 (2020 \$75,415) for current and prior-year service and is included as an expense on the Consolidated Statement of Operations.

19. IMPACTS OF COVID-19

Since December 31, 2019, the spread of COVID-19 has severely impacted local economies around the globe. In many countries, including Canada, businesses were forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of nonessential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions.

In 2021 the Town received COVID-19 operating and technology funding in the amount of \$70,694, and applied the balance of its Safe Restart funding reserve in the amount of \$59,079 to cover pandemic-related operating pressures in the year. The Town experienced significant increases in some material costs, such as gravel, winter sand and culverts, and incurred additional expenses related to staff time, the purchase of COVID-19 supplies and increased contract costs in the year. An estimated \$31,388 decrease in revenue resulted from the suspension of interest on current taxes.

The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Town for future periods.
