**EXPLANATORY NOTE TO BY-LAW No. 2022 – 20
OF THE TOWN OF KEARNEY**

Lands Affected:

By-law No. 2022 – 20 is a Comprehensive Zoning By-law that applies to all of the lands within the geographic limits of the Town of Kearney.

Purpose and Effect:

By-law No. 2022 – 20 will repeal Comprehensive Zoning By-law No. 2002-28 and all amendments and replace it with this document to regulate land uses within the Town. By-law No. 2022 – 20 is intended to regulate the use of all lands, buildings, and structures within the Town of Kearney.

The zone boundaries, permitted uses and regulations are consistent throughout the Town and ensure conformity with the Town of Kearney Official Plan. The By-law includes the regulation of the use of land, the size and location of buildings and structures, and parking requirements in the Town of Kearney. This new By-law also addresses and regulates uses such as additional residential units, shoreline uses, tourist commercial uses and updates regulations such as setbacks adjacent to the waterfront.

By-law No. 2022 – 20 permits and regulates the use of land as shown on Schedules 'A - E' to the Zoning By-law. Uses that legally existed prior to the date of adoption of this By-law will be permitted to continue. Any new use not specifically permitted by the By-law is prohibited. New development occurring after this By-law comes into effect must comply with the regulations set out in the By-law.

**THE CORPORATION OF
THE TOWN OF KEARNEY**

BY-LAW No. 2022 – 20

**BEING A BY-LAW TO REGULATE THE USE OF LAND,
LOCATION AND USE OF BUILDINGS OR STRUCTURES WITHIN
THE TOWN OF KEARNEY**

WHEREAS an Official Plan was approved for the Town of Kearney on April 20, 2016 by the Ontario Municipal Board;

AND WHEREAS Section 26 of the *Planning Act* requires that the Zoning By-law of the Town of Kearney be amended to conform to the Official Plan of the Town of Kearney;

AND WHEREAS the Town of Kearney now deems it desirable and in the public interest to rescind By-law 2002-28 and all Amendments thereto, and enact a new Comprehensive Zoning By-law under Section 34 of the Planning Act, S.O. 1990 c P. 13, as amended, which will serve to regulate the use of the land and the character, location and size of buildings and structures within the boundaries of the Town of Kearney;

NOW THEREFORE BE IT RESOLVED that the Town of Kearney enacts By-law No. 2022 - 20 as follows:

SECTION 1 ADMINISTRATION

1.1 TITLE

This By-law may be referred to as “The Zoning By-law for the Town of Kearney.”

1.2 AREA AFFECTED BY THIS BY-LAW

This By-law applies to all lands, islands and lands under water within the geographic Town of Kearney.

1.3 BUILDING PERMITS

The requirements of this By-law must be met before a Building Permit is issued for the erection, additions to or alterations of, any building or structure.

1.4 ENFORCEMENT

Any person convicted of a violation of this By-law is liable on first conviction to a fine of not more than \$25,000 and on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted in accordance with *The Planning Act*.

Any Corporation convicted of violation of this By-law is liable on first conviction to a fine of not more than \$50,000 and on a subsequent conviction to a fine of not more than \$25,000 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted in accordance with *The Planning Act*.

In case any buildings or structures or any part thereof is to be erected, altered, reconstructed or extended, or any lot is being used or is to be used, in contravention of any requirement of this By-law, such contravention may be restrained by action at the instance of any rate-payer or of the Municipality pursuant to the provisions of *The Planning Act, 1990* as amended, and/or the Municipal Act 2001, as amended, and/or any other legislation applicable.

1.5 SEVERABILITY PROVISION

A decision of a Court stating that one or more of the provisions of this By-law are invalid in whole or in part does not affect the validity, effectiveness or enforceability of the other provisions or parts of the provisions of this By-law.

1.6 REPEAL OF EXISTING BY-LAWS

Upon this By-law coming into force and effect, By-law No. 2002-28 of the Town of Kearney and all amendments thereto are hereby repealed.

1.7 EFFECTIVE DATE

This By-law shall come into force the date that it was passed where there are no appeals filed or where appeals are filed, where all of the appeals are finally disposed of by the Local Planning Appeal Tribunal (LPAT).

1.8 USE OF LAND

No lands within the area covered by this By-law shall be used for any purpose unless as otherwise permitted by this By-law.

1.9 TRANSITION PROVISIONS

1.9.1 Complete Applications

- a) Notwithstanding Subsection 1.3, this By-law does not apply to prevent the issuance of a building permit for a project for which a Complete Application for a:
 - i) building permit;
 - ii) Committee of Adjustment approval;
 - iii) site plan control approval;
 - iv) part lot control exemption approval; or
 - v) approval of draft plan of subdivision or draft plan of condominium

was received on or prior to the day before this By-law was passed by Council.

- b) For the purposes of Subsection a), “Complete Application” means an application which could have been approved or granted on the day before this By-law was passed by Council, had it been processed or disposed of on that day as determined in accordance with the provisions of the *Planning Act*, R.S.O. 1990, c.P. 13, as amended, and the Regulations thereunder, the policies of the Town of Kearney Official Plan, and the applicable guidelines and policies of the Town of Kearney.
- c) Where a project qualifies under Subsection 1.9.1(a), the building permit for that project may be issued, or the Committee of Adjustment approval, the Site Plan Control Approval, the Part Lot Control Exemption Approval, and the Approval of the Draft Plan of Subdivision or Draft Plan of Condominium may be granted if the project in question complies with the provisions of Zoning By-law 2021-xx (existing) of the Town of Kearney as it read on the day before this By-law was passed by Council.
- d) Nothing in this By-law applies so as to continue the exemption provided by this Subsection beyond the issuance of the permit or to other approval under Subsection a) upon which the exemption is founded; and in no case does the exemption mentioned in Subsection c) continue beyond the repeal of this subsection.
- e) Once the permit or approval under Subsection a) has been granted, the provisions of this By-law apply in all other respects to the land in question.
- f) Section 1.9.1 is repealed in its entirety three years from the date of enactment of this By-law.

1.9.2 Minor Variances

- a) All minor variances applied for prior to the enactment of this By-law and finally approved pursuant to Section 45 of the *Planning Act*, R.S.O. 1990, c.P. 13, as amended, or its predecessor continue to apply and remain in force as if they are variances to this By-law.

1.10 METRIC AND IMPERIAL TERMS

The metric measurements contained in this By-law are the only measurements to be used in determining compliance with the By-law. Any imperial measurements contained in this By-law are included for convenience and do not form part of the By-law.

1.11 REFERENCE TO LEGISLATION

Where this Zoning By-law makes reference to legislation, then the references shall be

deemed to mean that as presently existing, or as amended, replaced or re-enacted, from time to time by the Province, and shall be deemed to include, in addition to the statute itself, all regulations passed thereunder.

SECTION 2 ESTABLISHMENT OF ZONES

2.1 ZONES

For the purposes of this By-law, the following Zones are established and they may be referred to by the name or by the symbol set opposite the name of the Zone below:

RTS	-	Residential Townsite
RWF	-	Residential Waterfront
RR	-	Rural Residential
RU	-	Rural
CTS	-	Commercial Townsite
CR	-	Rural Commercial
CT	-	Tourist Commercial
M	-	Industrial
MM	-	Mineral Mining
MA	-	Mineral Aggregate
WD	-	Waste Disposal Industrial
I	-	Institutional
OS	-	Open Space
HZ	-	Hazard Lands
EP	-	Environmental Protection

2.2 ZONE SCHEDULE

The Zones and zone boundaries are shown on the attached Schedules 'A - E', which form part of this By-law. Schedules 'A - E' are a series of Maps.

2.3 EXCEPTIONS

Where a Zone symbol is followed by a dash and a number, (for example RU-2) there are special provisions that apply to the Zone. These special provisions are contained in the section of the By-law that applies to the primary Zone.

2.4 DETERMINING ZONE BOUNDARIES

A Zone boundary shown approximately at a lot line, street or lane is considered to be at the boundary of the lot line, street or road.

A Zone boundary shown approximately at the centre line of a street or lane is considered to be the centre line of the street or lane.

Unless the location of a Zone boundary is specified by dimensions on the Zoning Map, a Zone boundary which lies within a lot shall be fixed by the scale of the Schedule upon which it is shown.

A zone boundary shown following approximately a shoreline or the centre line of a creek, stream or channel is considered to be the shoreline or centre line and moved with any natural changes to the waterbody or watercourse.

Where lands have not been identified as being in a Zone on the Schedules, they shall be deemed to be in the Open Space (OS) Zone.

Where an Island has not been identified as being in a Zone on the Schedules, it shall be deemed to be in the Open Space (OS) Zone.

All lands below the surface of a waterbody or watercourse shall be deemed to be in the Open Space (OS) Zone.

2.5 COMPLIANCE WITH ZONING BY-LAW

No person shall change the use of any building, structure or land or erect or use any building or structure or occupy any land or building except in conformity with the provisions of this By-law.

Any use not specifically permitted by this By-law shall not be permitted in the Town of Kearney.

In addition, no person shall use any land or locate any buildings or structure such that the uses, buildings or structures on other lands would no longer comply with the provisions of this By-law.

SECTION 3 GENERAL PROVISIONS

3.1 APPLICATION

The provisions of this section of the By-law shall apply to all lands within the Town of Kearney unless otherwise specified.

3.2 ACCESSORY BUILDINGS, STRUCTURES AND USES

3.2.1 Permitted Uses

Where this By-law provides that a lot may be used or a building or structure may be erected or used for a purpose, that purpose shall include any accessory building or structure or accessory use, but shall not include the following:

- i) any occupation for gain or profit conducted within or accessory to a dwelling unit or on such lot associated therewith, except as is specifically permitted in accordance with this By-law; or
- ii) any building used for human habitation except in accordance with this By-law, as is specifically permitted.

Legal non-conforming uses shall be permitted to have accessory uses, buildings and structures in accordance with the provisions in this Section of the By-law and the provisions of the applicable Zone.

3.2.2 Lot Coverage and Height

Accessory buildings, structures and uses are permitted in all Zones subject to the following provisions:

- i) The total lot coverage of all accessory buildings and structures on an individual lot, except swimming pools, may not exceed ten (10%) percent of the lot area unless specifically permitted by this By-law.
- ii) Notwithstanding, within Commercial or Industrial Zones, the total lot coverage of all accessory buildings or structures shall not exceed fifteen (15%) percent of the lot area.
- iii) The maximum height of an accessory building in a Residential Zone shall not exceed 7.5 metres, except where there is an Additional Residential Unit located as a second storey, in which case the zone provision shall apply. In Commercial or Industrial Zones accessory buildings shall not exceed the maximum height permitted in the Zone. In Rural Zones accessory buildings shall not exceed 12.0 metres in height.

3.2.3 Permitted Encroachments

Structures and ornamental features for main buildings and accessory structures may only encroach into the required yard in a zone as outlined in the following Table.

Where a required yard, structure or feature is not referred to in this Table, the minimum required yard in the applicable Zone shall apply.

Permitted Structure or Feature	Applicable Required Yard(s)	Required Setback or Permitted Encroachment
STRUCTURAL AND ORNAMENTAL FEATURES:		
Bay Windows (without footings)	All Yards	May encroach 0.6 m into the required yard.

Uncovered Decks (0.3 m to 1.2 m in height above finished grade)	Front, Rear and Exterior Side Yards	May encroach 2.5 m into the required yard but no closer than 3 m to the lot line.
	Interior Side Yard	The setback shall not apply where a side lot line extends from a common wall dividing attached dwelling units.
Uncovered Decks (greater than 1.2 m in height above finished grade)	Front, Rear and Exterior Side Yards	May encroach 2.5 m into the required yard but no closer than 3 m to the lot line.
	Interior Side Yard	The setback shall not apply where a side lot line extends from a common wall dividing attached dwelling units.
Unenclosed Porches / Verandas (0.3 m to 1.2 m in height above finished grade)	Front, Rear and Exterior Side Yards	May encroach 2.5 m into the required yard but no closer than 3 m to the lot line.
	Interior Side Yard	The setback shall not apply where a side lot line extends from a common wall dividing attached dwelling units.
Sills, cornices, parapets, pilasters, or other similar ornamental structures	All yards	May encroach 0.6 m into the required yard.
Eaves	Front, Rear and Exterior Side Yards	May encroach 1.2 m into the required yard but not closer than 0.6 m to the lot line.
	Interior Side Yard	May encroach 0.6 m into the required yard but not closer than 0.6 m to the lot line.
Chimneys	Front, Rear and Exterior Side Yards	May encroach 0.6 m into the required yard.
Functional and ornamental roofless structures including but not limited to drop awnings, flag poles, lighting fixtures, mail boxes, signs, fountains, statues, monuments, benches, cenotaphs, memorials, planters, garden trellises, patios, walkways, retaining walls less than 1.0 m in height, or other similar accessory structures	All yards	Permitted
Fences, Clothes Lines & Poles,	Interior, side and rear yards	Permitted
Ramps and Accessible Accessways	Any required yard	Permitted

3.2.4 Boat Dock and Launching Ramp

Notwithstanding the yard provisions of this By-law to the contrary, a boat launching ramp or a dock may be erected and used in any yard, or appertaining to a lot abutting or adjacent to a navigable waterway, except where specifically prohibited in the abutting Zone subject to the following regulations:

- i) The boat launching ramp or dock shall be located no closer than 3.0 metres to the side lot line or a straight line projection of the side lot line where it meets the front lot line at the water.
- ii) A second dock shall be permitted where the shoreline frontage exceeds 90 metres.
- iii) No dock shall extend more than 10.0 metres into a waterway except where necessary to provide 6.0 metres of dock in water not less than 0.8 metres in depth, to a maximum of 20.0 metres in total length, provided that such dock does not impede boat traffic and complies with safe boating legislation.
- iv) The maximum width of a dock at any point measured parallel to the shoreline shall be 10 per cent of the shoreline frontage of a lot or 8.0 metres, whichever is less.
- v) The maximum area of a dock and decks in the water within 20.0 metres of the shoreline shall be 60 square metres and provided that such dock does not impede boat traffic.

3.2.5 Garages or Other Accessory Buildings or Structures

Garages and accessory buildings or structures shall meet the required front yard for the Zone which they are located. Notwithstanding the other yard and setback provisions of this By-law to the contrary, a detached private garage or other accessory building or structure may be erected and used in an interior side or rear yard, provided that the following requirements are met.

i) Interior Side Yard

Where such accessory building or structure is located in an interior side yard, it shall not be closer than 1.5 m to the interior side lot line.

ii) Rear Yard

Where such accessory building or structure is located in a rear yard, it shall not be closer than 3.0 m to the rear lot line.

Where the rear lot line abuts a municipally maintained road, the Zone provisions shall apply.

iii) Temporary Buildings

For the purpose of this By-law, buildings covered with cloth, plastic or similar flexible materials shall be required to meet the same requirements as permanent buildings and structures. Temporary buildings for limited recreational purposes shall be permitted.

3.2.6 Gazebos and Saunas

Notwithstanding the yard and setback requirements of this By-law to the contrary, a gazebo or a sauna may be permitted in a yard of a lot adjacent to a waterbody provided that:

- i) the gazebo is not enclosed, except for screening or glass;
- ii) the maximum ground floor area is 14.0 square metres;

- iii) it is setback at least 5.0 metres from the normal average or maintained high water mark;
- iv) it is setback at least 3.0 metres from any side lot line; and
- v) the height shall not exceed 4.0 metres.

3.2.7 Guest Cabin / Bunkie

Where a guest cabin is permitted on a lot the following provisions shall apply:

- i) no cooking facilities are located in the building;
- ii) the building may be connected to a sewage system or pressurized water system subject to North Bay – Mattawa Conservation Authority and Building Department approvals;
- iii) the building has a maximum ground floor area of 23 square metres;
- iv) the building has a height not greater than 6.0 metres; and,
- v) the building complies with all of the setbacks that apply to the principal building on the lot.

3.2.8 Livestock

The keeping of livestock is permitted in the Rural (RU) Zone in accordance with the Minimum Distance Separation formulae. In any Rural Residential (RR) Zone the keeping of livestock shall be subject to having a minimum lot area of 2 hectares and shall be limited to one half nutrient unit per hectare where a nutrient unit is defined by Regulations under the *Nutrient Management Act, 2002*.

3.2.9 Metal Storage/Shipping Containers

A Metal Storage/Shipping Container shall be permitted as an accessory use on a lot within a Rural, Commercial, Industrial or Institutional Zone in accordance with the following:

- i) The storage/shipping container shall only be used as a storage container; the limited use does not permit a habitable use, home industry use, other accessory uses, such as but not limited to workshops, hobby shops, farm buildings or any activity, occupation or business. Any alterations or change in use will require a building permit. Other zoning regulations and applicable law may apply.
- ii) The principal building is already in existence.
- iii) The storage/shipping container is located behind the principal building.
- iv) The storage/shipping container shall not be closer than 10 metres from principal building.
- v) The storage/shipping container is setback at least 30 metres from the front lot line.
- vi) The storage/shipping container is setback at least 30 metres from any side lot line.
- vii) The storage/shipping container is setback at least 30 metres from the rear lot line.
- viii) The storage/shipping container is setback a minimum of 50 metres from the normal average or maintained high water mark of any watercourse or lake.
- ix) The storage/shipping container shall be screened from view from the street and abutting properties by continuous fencing or landscaping at a minimum of 1.8 metres in height.

Notwithstanding the above provisions:

- x) A storage/shipping container shall be permitted **in any Zone** for a period not exceeding seven (7) days and only for the purpose of the loading or unloading.

- xi) A storage/shipping container shall be permitted on a construction site **in any Zone** only for the purposes of storing equipment and materials incidental to construction and only for so long as it is necessary for the work in progress and until the work is completed or abandoned. For the purpose of this Section, abandoned shall mean the discontinuation of work for more than ninety (90) consecutive days and/or the failure to maintain a current building permit.

3.2.10 Outdoor Furnaces

Outdoor furnaces used for burning wood, coal or petroleum fuel shall be setback a minimum of 10 metres from any lot line, have a minimum stack height of 4.5 metres and shall not be permitted in a front yard.

3.2.11 Swimming Pools and Hot Tubs

Swimming pools shall be constructed in accordance with the requirements of the By-law for Accessory Buildings and Structures except that no water circulating or pumping equipment shall be located closer than 3 metres to any side or rear lot line and no pool or hot tub shall be located closer to the shoreline than the required front yard for a principal building.

3.3 ACCESS TO LOTS

3.3.1 Improved Public Road

Unless otherwise permitted in this By-law, no person shall erect any building or structure in any Zone after the date of passing of this By-law, unless the lot upon which such building or structure is to be erected has frontage upon a year-round maintained improved public road, and such building or structure must comply with the setback provisions of this By-law.

Development on a public road that is not maintained year-round shall only be permitted where there is an agreement registered on the title of the land acknowledging that the municipality does not provide year-round services on the road.

The above provisions shall not apply to prevent the erection of a permitted building or structure on a lot in a registered Plan of Subdivision where a properly executed Subdivision Agreement has been entered into with the Town, notwithstanding that the street or streets will not be assumed by the Town until the end of the maintenance period, nor shall it apply to prevent the enlargement, extension, renovation, reconstruction or other structural alteration of an existing building or structure, which is located on a lot which does not have frontage upon an improved public road, provided the use of such building or structure does not change and is permissible within the Zone in which it is located.

For the purposes of this By-law only, a common element roadway within a registered plan of condominium that is maintained by the condominium corporation in accordance with an agreement between the Corporation and the Town shall be deemed to be an improved public road.

Notwithstanding the provisions of this section to the contrary a hunt camp or trappers cabin shall be permitted in the Rural (RU) Zone in accordance with the provisions of Section 3.9 of this By-law.

3.3.2 Access on a Private Road, Private Right-of-Way, Crown Road, Original Road Allowance

Notwithstanding the provision in 3.3.1 where a lot fronts upon a private road or private right-of-way or crown road, or original road allowance, a use, building or structure permitted within the Zone shall be permitted on such lot, in accordance with the applicable provisions of the Zone and provided such private road or private right-of-way existed as of

the date of passing of this By-law or where there is an agreement in place with the municipality to address the construction standard and maintenance, liability, provision of services, etc. Municipal services may not be available to lots accessed from a private road, crown road or original road allowance.

3.3.3 Access from a Navigable Waterway

Notwithstanding the provisions of Subsections 3.3.1 and 3.3.2 above to the contrary, in a Residential Waterfront (RWF) Zone, Rural Residential (RR) Zone or a Rural (RU) Zone where a lot is only accessible by a navigable waterway, such lot may be used for any use in accordance with the applicable provisions of the Zone. Municipal services will not be available to lots accessed from a navigable waterway.

3.4 BED AND BREAKFAST

The following provisions shall apply to bed and breakfast establishments:

- i) A bed and breakfast establishment shall only be permitted in an owner occupied single detached dwelling and shall be limited to a maximum of two (2) guest rooms per establishment unless expressly provided for as a permitted use.
- ii) Where expressly provided for as a permitted use, the maximum number of rooms shall be limited to five (5).
- iii) A bed and breakfast shall not be established or operated in an accessory building.
- iv) One (1) parking space shall be provided per guest room in addition to a minimum of one (1) space for the existing dwelling.
- v) A bed and breakfast establishment shall not detract from the general character of the area nor be a nuisance in terms of noise, traffic, parking, and visual character.

3.5 CANNABIS PRODUCTION AND PROCESSING

Notwithstanding any other provision of this By-law, any Cannabis Production and Processing shall be subject to the following provisions:

- i) No lands, building or structure or portion thereof used for Cannabis Production and Processing purposes that is equipped with air treatment control situated in the Industrial Zone (M), Hazard Zone (HZ) may be located closer than 70 metres to any Residential Zone, Institutional Zone, or Open Space Zone.
- ii) No lands, building or structure or portion thereof used for Cannabis Production and Processing purposes that is equipped with air treatment control situated in the Rural Zone (RU) may be located closer than 150 metres to any Residential Zone, Institutional Zone, or Open Space Zone.
- iii) No lands, building or structure or portion thereof used for Cannabis Production and Processing purposes that is equipped with air treatment control situated in the Industrial Zone (M), Rural Zone (RU), or Hazard Zone (HZ) may be located closer than 150 metres to any dwelling on a separate lot or other sensitive land use.
- iv) No lands, building or structure or portion thereof used for Cannabis Production and Processing purposes that is not equipped with air treatment control situated in the Rural Zone (RU), Industrial Zone (M), or Hazard Zone (HA) may be located closer than 300 metres to any dwelling on a separate lot or other sensitive land use.
- v) A building or structure used for security purposes for Cannabis Production and Processing may be located in the required front yard and does not have to comply with the required minimum front yard, side yard, and rear yard setbacks.

- vi) Outdoor storage is prohibited on the property in which the Cannabis Production and Processing is located.
- vii) Cannabis Production and Processing shall only be permitted within the zones as explicitly indicated in this Zoning By-law.
- viii) All development in relation to the establishment of or expansion to Cannabis Production and Processing shall be subject to Site Plan Control.

3.6 EXISTING UNDERSIZED LOTS OF RECORD

Where a lot, having a lesser lot area and/or lot frontage than required herein, existed on the date of passing of this By-law, or where such a lot is created by a public authority such smaller lot may be used and a permitted building or structure may be erected, altered and/or used on such smaller lot provided that all other applicable Zone Provisions of this By-law are complied with.

Lots which have been increased in size following passing of this By-law may also be used in accordance with this provision.

3.7 HEIGHT EXCEPTIONS

Nothing in this By-law shall apply to prevent the erection, alteration or use of a permitted barn or silo, or the following accessory buildings or structures, provided the main or principal use is permitted within the Zone in which it is located and provided all other applicable provisions of this By-law are complied with: a church spire, a belfry, a flag pole, a clock tower, a chimney, a water tank, a windmill, a radio, television or telephone tower or antenna, except satellite antenna in excess of 0.5 m in diameter, air conditioner duct, incidental equipment required for processing, external equipment associated with internal equipment or machinery and conveying equipment.

3.8 HOME INDUSTRY

Where a home industry is permitted as an accessory use in a building accessory to, or within, a single detached dwelling in any zone the following provisions shall apply:

- i) A maximum of four (4) persons other than an occupant of the dwelling may be engaged in the home industry at any time;
- ii) Such home industry may be located in part of a dwelling or in any accessory building located on a lot on which a dwelling is in existence, provided the total gross floor area utilized by the home industry does not exceed a maximum of 100 square metres;
- iii) There shall be no display, other than a non-illuminated sign having a maximum surface area of 1.0 square metres, to indicate to persons that any part of the dwelling or dwelling unit is being used for a purpose other than residential;
- iv) There shall be no outside storage of goods, materials or articles associated with the home industry;
- v) There shall be no goods, wares, or merchandise offered for sale or rent on the premises other than what is produced on the premises;
- vi) No more than four (4) motor vehicles associated with the home industry may be parked or stored on the lot within an interior side or rear yard. No unlicensed vehicle shall be permitted on the lot for more than sixty (60) days; and,
- vii) Such home industry shall be clearly accessory to the main residential use and shall not change the residential character of the dwelling or the lot.

3.9 HOME OCCUPATION

Where a home occupation is permitted the following provisions shall apply:

- i) No person, other than a person living on the premises and two (2) assistants who

- are not residents of the dwelling, may be engaged in the occupation of the canvassing, delivering or distributing of merchandise to customers at any time;
- ii) There shall be no display, other than a non-illuminated sign having a maximum surface area of 0.5 square metres, to indicate to persons outside that any part of the dwelling or dwelling unit is being used for a purpose other than residential;
 - iii) There shall be no goods, wares, or merchandise offered for sale or rent on the premises other than what is produced on the premises;
 - iv) There shall be no outside storage of goods, materials, containers or animal enclosures used in conjunction with the Home Occupation;
 - v) Not more than twenty-five (25 %) percent of the gross floor area, not including the basement of the dwelling or dwelling unit, to a maximum of 46 sq. m, shall be used for the purposes of the Home Occupation, and such Home Occupation shall be conducted entirely within the detached dwelling or dwelling unit;
 - vi) There shall be no mechanical or other equipment used except that which is customarily used in a dwelling or dwelling unit for domestic or household purposes or for use by a dentist, drugless practitioner, hairdresser, physician, or other professional person;
 - vii) A Home Occupation shall not include a boarding or lodging house, an eating establishment, or a facility offering accommodation or meals other than a Bed and Breakfast establishment;
 - viii) A Home Occupation shall be secondary to the principal residence and shall not change the residential character of the lot;
 - ix) One (1) Home Occupation only shall be permitted in conjunction with a single detached dwelling.

3.10 HUNT CAMPS

Hunt Camps (including Trappers Cabins), as defined in this By-law, are permitted in the Rural (RU) Zone subject to the following special provisions:

- i) Minimum lot area – 10 hectares
- ii) Notwithstanding the provisions to the contrary, a Hunt Camp shall be permitted to be located on a lot which has access onto an unimproved municipal road allowance or a private road
- iii) Minimum setback from public road allowance – 100 metres
- iv) Minimum setback from any lot line – 50 metres
- v) Maximum floor area – 45 square metres

3.11 KENNEL

Notwithstanding the yard and setback provisions of this By-law to the contrary, no Kennel shall be erected or established, after the day of the passing of this By-law, within one hundred metres (100 m) of a lot line or three hundred metres (300 m) of a dwelling located on another lot. Notwithstanding this section, a dwelling may be constructed within three hundred metres (300 m) of an existing kennel if all other provisions of this By-law are complied with.

3.12 LOADING SPACE REQUIREMENTS

3.12.1 Loading Space

Loading spaces are required under this By-law in accordance with the Loading Space Requirement Table set forth herein. The owner of every building or structure erected for any purpose involving the receiving, shipping, loading or unloading of persons, animals, goods, wares, merchandise or raw materials shall provide and maintain loading and unloading

spaces on the lot accordingly. For the purposes of this By-law, each loading or unloading space shall be 15 metres in length, 3.5 metres in width and have a vertical clearance of at least 4.3 metres. Loading Spaces shall not include any area used for required parking spaces in accordance with this By-law.

3.12.2 Loading Space Requirement Table

Gross Floor Area of Building	Loading Spaces Required
Less than 300 square metres	None
300 square metres to 2,300 square metres or less	1 space
Exceeding 2,300 square metres but not exceeding 7,400 square metres	2 spaces
Exceeding 7,400 square metres	1 space for each additional 7,400 square metres.

3.12.3 Access

Access to loading spaces shall be by means of a driveway of at least 3.5 metres in width contained on the lot on which the spaces are located and leading to an improved public road.

3.12.4 Loading Space Surface

Driveways, loading spaces and related aisles and turning areas shall be maintained with a stable surface that is treated to prevent the raising of dust.

3.12.5 Location

The loading spaces required shall be located in the interior side or rear yard unless such space or spaces are removed from the street line a minimum distance of 15 metres.

3.12.6 Additions to or Change in Use of Existing Buildings

The loading space requirements referred to herein shall not apply to any building in existence at the date of passing of this By-law so long as the gross floor area, as it existed at such date, is not increased by more than three hundred (300) square metres. If an addition is made to the building or structure which increases the gross floor area, then additional loading spaces shall be provided as required by this Section, in accordance with the provisions of the loading Space Requirement Table (above) for such addition.

3.13 MINIMUM OPENING ELEVATIONS AND FLOODING

No habitable building or any addition to an existing habitable building which exceeds twenty-five (25 %) per cent of the gross floor area as of the date of passing of this By-law shall be located on a lot adjacent to:

- i) Sand Lake, unless the building has a minimum opening elevation of 342.2 metres Canadian Geodetic Datum;
- ii) Loon & Grass Lakes, unless the building has a minimum opening elevation of 1.08 m above crest of spill wall at Pevensey Dam;
- iii) Perry Lake, unless the building has a minimum opening elevation of 336.67 m above Canadian Geodetic Datum
- iv) Little Beaver Lake, unless the building has a minimum opening elevation of 339.5 m above Canadian Geodetic Datum
- v) Beaver Lake, unless the building has a minimum opening elevation of 339.0 m above Canadian Geodetic Datum

- vi) River Between Beaver and Hassard Lakes, unless the building has a minimum opening elevation of 338.5 m above Canadian Geodetic Datum

No habitable building or sewage disposal system shall be located within 3.0 metres of an identified flood elevation or below the 1 in 100 year flood elevation.

3.14 MULTIPLE ZONES ON ONE LOT

Where a lot is divided into more than one Zone under the provisions of this By-law, each such portion of this said lot shall be used in accordance with the Permitted Uses of this By-law for the applicable Zone.

3.15 NON-CONFORMING USES

3.15.1 Continuation of Existing Uses

The provisions of this By-law shall not apply to prevent the legal use of any existing lot, building or structure for any purpose prohibited by this By-law if such existing lot, building or structure was legally used for such purposes, prior to the effective date of this By-law and provided that the lot, building or structure continues to be used for that purpose. Where the use ceases to exist for a period of one (1) year, the use will be deemed to have been discontinued. Where a non-conforming travel trailer or mobile home is removed from a lot the use shall be deemed to have been discontinued.

3.15.2 Permitted Exterior Extension, Alteration and Reconstruction

The exterior of any building or structure which was legally used prior to the effective date of this By-law for a purpose not permissible within the Zone in which it is located, shall not be enlarged, extended more than 0.25 metres, reconstructed or otherwise structurally altered, unless such building or structure is thereafter to be used for a purpose permitted within such Zone.

3.15.3 Permitted Interior Alteration

The interior of any building or structure which was legally used for a purpose not permissible within the Zone in which it is located prior to the effective date of this By-law, may be reconstructed or structurally altered in order to render the same more convenient for the existing purpose for which such building or structure was legally used.

3.15.4 Restoration To A Safe Condition

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any existing, legal non-conforming building or structure or part thereof, provided that the strengthening or restoration does not increase the building height, size or volume or change the existing, legal use of such existing building or structure unless these changes are necessary to provide for floodproofing of the building.

3.15.5 Building Permit Issued

The provisions of this By-law shall not apply to prevent the erection or use, for a purpose prohibited by this By-law, of any building or structure, the plans for which have, prior to the date of passing of this By-law, been approved by the Chief Building Official, so long as the building or structure, when erected, is used and continues to be used for the purpose for which it was erected.

3.16 NON-COMPLYING BUILDINGS AND STRUCTURES

3.16.1 Permitted Buildings or Structures

- i) Where a legally existing building or structure has less than the minimum front yard, side yard or any setback required by this By-law, the said building or structure may be enlarged, reconstructed, repaired and/or renovated provided that the enlargement, reconstruction, repair and/or renovation does not:

- i) further reduce a front yard, and/or side yard and/or rear yard and/or lot coverage to less than the minimum permitted by this By-law;
 - ii) does not further increase the non-compliance;
 - iii) the building or structure is being used for a purpose permissible within the Zone in which it is located; and
 - iv) all other applicable Zone Provisions of this By-law are complied with.
- ii) A building permit for the reconstruction of a non-complying building or structure must be obtained within twelve (12) months of the demolition and/or the removal of the building or structure.
 - iii) Uncovered decks may further encroach a maximum of 2.5 metres into the non-compliant front yard, but no closer than 15 metres to the front lot line;
 - iv) Any building or structure that legally existed as of the date of passing of this By-law that encroached on any required yard or setback a distance of 0.1 m or less or exceeds maximum lot coverage by 1.0 per cent or less shall be deemed to comply with the requirements of this By-law.

3.16.2 Reconstruction of Existing Building

Nothing in this By-law shall apply to prevent the reconstruction of any permitted building which is accidentally damaged or destroyed by causes beyond the control of the owner. Such permitted building may be reconstructed in accordance with the previously existing standards even if such did not conform with one or more of the provisions of this By-law, but the non-compliance may not be further increased provided that a building permit for the reconstruction occurs within twelve (12) months of the damage being done.

3.17 NOXIOUS TRADE

Except as may otherwise be specifically permitted under this By-law, no use shall be permitted which, from its nature or the materials used therein, is defined as a noxious trade, business or manufacture under The Health Protection and Promotion Act, as amended, and the Regulations promulgated thereunder.

3.18 NUMBER OF DWELLING UNITS ON A LOT

Unless otherwise permitted in this By-law, no more than one (1) dwelling unit shall be permitted on any lot.

3.19 PARKING AREA REGULATIONS

3.19.1 Parking Space Requirements

The owner of land or of every building or structure erected or used for any of the purposes hereinafter set forth shall provide and maintain parking spaces for the sole use of the owner, occupant, or other persons entering upon or making use of the said premises, from time to time.

Parking spaces are required under this By-law, in accordance with the Parking Space Requirement Table. Where the calculation of required spaces exceeds a whole space by more than 0.25, the required spaces shall be the next whole number.

3.19.2 Parking Area Surface

Non-residential parking spaces, or multiple unit residential parking areas and driveways connecting the parking spaces or area with a street shall be maintained with a stable surface that is treated so as to prevent the raising of dust.

3.19.3 Ingress and Egress Provisions

- i) Ingress and egress to and from the required parking spaces and areas shall be provided by means of unobstructed driveways or passageways of at least 3 metres in width but not more than 9 metres in perpendicular width.
- ii) The maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9 metres.
- iii) The minimum distance between any two driveways on one lot or between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 7.5 metres.
- iv) The minimum angle of intersection between a driveway and a street line shall be sixty (60) degrees.
- v) Every lot shall be limited to the following number of driveways, namely:
 - a) up to the first 21 metres of lot frontage, not more than one driveway;
 - b) greater than 21 metres of lot frontage but not more than 30 metres of frontage, not more than two driveways with a combined width not exceeding 30 percent of the lot frontage; and
 - c) for each additional 30 metres of lot frontage, not more than one additional driveway.
- vi) Parking spaces shall have a minimum width of 3.0 metres and have a minimum area of 18.5 square metres. The length of any parking space and the width of the adjacent aisle shall be in accordance with the following:

Angle of parking space with aisle	Minimum Length of parking space	Minimum Perpendicular Width of Aisle
60 degrees to 90 degrees	6.2 metres	6.9 metres
45 degrees to 59 degrees	6.2 metres	5.2 metres
30 degrees to 44 degrees	6.2 metres	3.7 metres
0 degrees to 29 degrees	6.2 metres	3.0 metres

3.19.4 More Than One Use on a Lot

When a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.

3.19.5 Parking Area Location on Lot

Notwithstanding the yard and setback provisions of this By-law to the contrary, uncovered surface parking areas shall be permitted in the required yards or in the area between the street line and the required setback except that, where a Commercial Zone abuts a Residential Zone, parking shall not be located in the required yard between the two zones.

3.19.6 Additions to, or Changes in, The Use of Existing Buildings and Structures

The parking space requirements referred to herein shall not apply to any building or structure legally in existence on the date of passage of this By-law, so long as the gross floor area is not increased by more than 20 square metres following approval of this By-law and the use or number of dwelling units does not change. If any addition is made to a building or structure which increases its gross floor area by more than 20 square metres, then parking spaces for the addition shall be provided as required by the Parking Space Requirement Table. Where a change in use occurs, parking spaces shall be provided for such new use in accordance with the requirements of the Parking Space Requirement Table.

3.19.7 Use of Parking Spaces and Areas

Parking spaces and areas required in accordance with this By-law shall be used for the parking of operative, currently licensed vehicles only and for vehicles used in an operation incidental to the permitted uses in respect of which such parking spaces and areas are required or permitted.

Notwithstanding the foregoing, the owner or occupant of any lot, building or structure in any Residential Zone may use the lot, building or structure for the parking, storing or housing of not more than one commercial motor vehicle or trailer provided that such vehicle does not have wheelbase in excess of 5.0 metres or exceed a 3500 kg capacity.

Commercial motor vehicles used in conjunction with a farm and one commercial truck or school bus are permitted in the Rural Zone provided that such vehicle must be parked in the side or rear yard unless it is parked indoors.

3.19.8 Parking in the Commercial Townsite Zone

Within the Commercial Townsite Zone, the required parking spaces may be provided on another lot within 200 metres of the boundary of the lot for which parking is required provided that there is a legal agreement between the owners of said lands providing the parking, the owner of the use requiring the parking and the Town of Kearney, that ensures that the parking will continue to be available as long as the use is in operation.

3.20 PEAT EXTRACTION, PITS AND QUARRIES

The extraction of peat, and the establishment or operation of pits or quarries is prohibited within the area covered by this By-law, except in the locations permitted by this By-law, and in accordance with the provisions of this By-law. No person shall use land or erect any building or structure for the purpose of processing, storing, washing, screening, sorting or crushing rock, sand and/or gravel and or peat except as expressly provided for in this By-law.

3.21 PLANTING STRIPS

3.21.1 Location

Where a lot in an Institutional or Commercial Zone abuts an interior side or rear lot line of a lot in a Residential Zone, a planting strip adjoining such abutting lot line, or portion thereof, shall be provided within the Institutional or Commercial Zone with a minimum width of three (3) metres, or as required in the applicable Zone, whichever is greater.

3.21.2 Contents

Such required planting strip shall be used for no other purposes than planting a continuous, unpierced hedgerow of trees, evergreens or shrubs, or solid fencing not less than 1.5 metres high, immediately adjacent to the lot line, or portion thereof, where such planting strip is required. The remainder of the planting strip shall be used for no other purpose than the planting of ornamental shrubs, flowering shrubs, flower beds, grass or a combination thereof.

3.21.3 Driveways and Walkways

In all cases where ingress and egress, driveways, launching ramps or walkways extend through a required planting strip, it shall be permissible to interrupt the planting strip within 3.0 metres of the edge of such driveway or within 1.5 metres of the edge of such walkway.

3.21.4 Landscaped Open Space

A planting/landscaping strip or buffer screen referred to in this Section may form a part of any landscaped open space required by this By-law and may form part of a required yard.

3.22 PUBLIC USES, UTILITIES

3.22.1 Public Services

Except as provided in paragraph 3.21.2. hereof, the provisions of this By-law shall not apply to prohibit the use of any lot or the erection or use of any building or structure for the purposes of public uses provided by the Town, or any Public Authority including any Department or Ministry of the Government of Canada or Ontario or any Conservation Authority established by the Government of Ontario and, for the purposes of this Section, shall include any hydro electric company, any telephone, telegraph or cable TV company and any natural gas distribution system operated by a company distributing gas to the residents of the Town, which company possesses all the necessary powers, rights, licenses and franchises.

3.22.2 Location Restrictions

Notwithstanding any other provision contained in this By-law to the contrary, where a public use is specifically mentioned as a permitted use within a specific Zone classification,

then such Public Use shall only be permitted within that Zone or Zones and shall comply with the Zone Provisions of the Zone or Zones in which the Public Use is permitted, save and except that there shall be no minimum lot area or lot frontage requirement. This provision shall not apply to Crown agencies.

3.22.3 Provisions

- i) No goods, materials or equipment shall be stored outside the building or structure located on the lot, except as may otherwise be permitted under this By-law;
- ii) The Zone provisions of the Zone in which the use is located shall be complied with except as otherwise provided in this By-law;
- iii) No building or structure erected in accordance with the provisions of this Section shall be used for the purposes of an office or maintenance or works depot; and,
- iv) The building or structure shall be designed and maintained in general harmony with the uses permitted within the respective Zone.

3.22.4 Streets and Service Installations

Nothing in this By-law shall prevent land from being used as a street or highway, or prevent the installation of a watermain, sanitary sewer, storm sewer, gas main, pipeline, overhead or underground hydro, communication line or high voltage electrical facilities owned, operated and maintained by Hydro One or the Public Utilities Commission or their agents.

3.23 REDUCTION OF REQUIREMENTS

No person shall change the purpose for which any land, building or structure is used or erect any building, or structure, or add to any existing building or structure, or reduce the area of any lot, if the effect of such action is to cause the original, adjoining, remaining or new building, structure or lot to be in contravention with this By-law.

3.24 RESTRICTIONS ON DWELLING UNITS IN NON-RESIDENTIAL BUILDINGS

Notwithstanding any other provision of this By-law to the contrary, no dwelling unit shall be located within a portion of a non-residential building which has gasoline or other flammable fluids or hazardous materials stored in bulk for commercial purposes or in conjunction therewith, and without limiting the generality of the foregoing, a dwelling unit shall not be permitted within a building used for a motor vehicle service station, a motor vehicle repair garage, a motor vehicle body shop or a marine service shop.

3.25 ADDITIONAL RESIDENTIAL UNITS

- i) Additional Residential Units are permitted in any detached, semi-detached or townhouse dwelling and/or in a building or structure accessory to those building types, in any zone where that dwelling type is a listed permitted use provided:
 - a) It does not change the streetscape character along the road on which it is located;
 - b) It is not a stand-alone, principal unit capable of being severed;
 - c) It must be located on the same lot as its principal dwelling unit; and
 - d) It must meet the setback requirements of the principal dwelling if located in an accessory building.
- ii) The Additional Residential Unit may be contained within the primary residential dwelling and/or in a building or structure accessory to the residential dwelling.
- iii) A maximum of one Additional Residential Unit is permitted within a principal dwelling unit.

- iv) A maximum of one Additional Residential Unit is permitted within a building or structure accessory to the principal dwelling unit.
- v) Additional Residential Units are not permitted on a lot that is legally non-complying with respect to lot frontage or lot area.
- vi) If located at or above grade, the Additional Residential Unit must not be greater in size than an amount equal to 50% of the gross floor area of its principal dwelling unit.
- vii) If located in the basement, it may occupy the whole of the basement.
- viii) If located in an accessory building, the Additional Residential Unit must be located above the accessory building and may not exceed the footprint of the accessory building.
- ix) One (1) parking space is required for each Additional Residential Unit. Tandem parking is permitted.
- x) Where Additional Residential Units are located on a lot, neither a garden suite nor any rooming units are permitted on that lot.
- xi) Additional Residential Units shall not be permitted on waterfront lots.
- xii) It must be demonstrated to the satisfaction of the Town, that there is sufficient capacity for the onsite servicing (water, sewage disposal) for the Additional Residential Units.

3.26 SIGHT TRIANGLES

On a corner lot fronting on two Town roads, within the triangular space formed by the street lines and a line drawn from a point in one street line to a point in the other street line, each such point being 9.0 metres measured along the street line from the point of intersection of the street lines, no motor vehicle, as defined in The Highway Traffic Act, shall be parked, no building or structure which would obstruct the vision of drivers of motor vehicles shall be erected, and no land shall be used for the purposes of growing shrubs or trees in excess of 1.0 metres in height. Such triangular space may hereinafter be referred to as a "sight triangle". Where the two street lines do not intersect at a point, the point of intersection of the street lines shall be deemed to be the intersection of the projection of the street lines or the intersection of the tangents to the street lines.

3.27 SIGNS

Unless otherwise specified, the provisions of this By-law shall not apply to prevent the erection, alteration or use of any sign provided such sign complies with the By-laws of the Town.

3.28 SHORELINE ACTIVITY AREA AND VEGETATIVE BUFFER

3.28.1 Shoreline Activity Area

A shoreline activity area is the portion of a shoreline frontage of a lot located within the required setback from the shoreline where accessory shoreline structures are located and where there is access to the water for activities such as swimming or boat launching. Access should be provided via a pervious pathway.

To maintain an appropriate balance between a natural shoreline and built form within the Shoreline, structures in shoreline activity areas should be focused within a defined area of the shoreline frontage and be limited in extent. Such activity areas may be developed in more than one location on a property, where appropriate. The extent of shoreline activity areas will be as follows:

- i) 25% of the shoreline frontage or up to 15 metres, whichever is the lesser, for linear shoreline residential development, and the total area of all shoreline structures shall not exceed 5% of the shoreline activity area or 22.5 square metres, whichever is the lesser;
- ii) 33% of the shoreline frontage for Tourist Commercial, Institutional lots, and waterfront landings; and
- iii) 50% of the shoreline frontage for marinas.

3.28.2 Vegetative Buffer

With the exception of permitted shoreline activity area(s), where there is the shoreline of a lake or watercourse on or appurtenant to a lot, a vegetative buffer of 30 metres shall be maintained from the shoreline or watercourse.

3.28.3 Storage Shed

One storage shed is permitted within the shoreline activity area subject to the following:

- i) must be set back a minimum of 10 m from the water;
- ii) must comply with the side yard setbacks for accessory buildings;
- iii) must not exceed 3 square metres (32.29 sq. ft.) in area and 2.5 metres (8.2 ft.) in height;
- iv) may not contain pumping equipment.

3.28.4 Pathways

All pathways within the shoreline activity area shall be constructed of permeable materials. Hard surfaces such as pavement, hi-bituminous and concrete shall not be permitted.

3.29 SPECIAL SETBACKS

3.29.1 Livestock Facilities

- i) Notwithstanding any other yard or setback provisions in this By-law to the contrary, no residential, institutional, commercial, industrial, or recreational use, located on a separate lot and otherwise permitted by this By-law shall be erected or altered unless it complies with the Minimum Distance Separation (MDS 1) Formula as determined by the Ministry of Agriculture Food and Rural Affairs.

MDS 1 formula shall not apply to:

- a) existing lots of record as of the date of passing of this By-law;
- b) proposed non-agricultural uses within the Townsite designation; and,
- c) where there are four or more, existing non-farm uses closer to the subject livestock facility and in immediate proximity to the development.
- ii) Notwithstanding any other yard or setback provision in this By-law to the contrary, no livestock facility shall be erected or expanded unless it complies with the Minimum Distance Separation (MDS II) calculation as determined by the Ministry of Agriculture Food and Rural Affairs.

3.29.2 Industrial Uses

- i) The minimum separation distance from a sensitive land use to a Class I Industry shall be 20 metres measured from an industrial use to a sensitive land use.
- ii) The minimum separation distance from a sensitive land use to a Class II Industry shall be 70 metres measured from an industrial use to a sensitive land use.
- iii) The minimum separation distance from a sensitive land use to a Class III Industry shall be 300 metres measured from an industrial use to a sensitive land use.

3.29.3 Original Shore Road Allowances

Notwithstanding the Zone requirements of this Section to the contrary, where the front lot line abuts an Original Shore Road Allowance of 20 metres or more in width, the required front yard shall be reduced by the width of the Original Shore Road Allowance above the normal original, present or existing controlled highwater mark.

3.29.4 Street Centre Lines

Where a lot abuts a road allowance less than 20 metres in width, the minimum setback from the street line shall be 10 metres from the centre line of the street plus the required front yard or exterior side yard within the zone.

3.29.5 Waste Disposal Areas

No building or structure shall be located closer than 30 metres to any land zoned Waste Disposal Industrial (WD).

No buildings or structures shall be permitted within 500 metres (1,640 feet) to any land zoned Waste Disposal Industrial (WD) unless supported by an appropriate study(s) that confirms there will be no negative impacts on the proposed development related to the adjacent waste management site.

3.29.6 Watercourses

Unless otherwise permitted by this By-law, no building or leaching bed for a sewage system shall be located within 30 metres of the original, normal or controlled highwater mark of any lake or watercourse.

3.30 STORAGE/USE OF TRAVEL TRAILERS, MOTOR HOMES AND CAMPERS

3.30.1 Storage

- i) Travel trailers, motor homes, campers or recreational vehicles shall be stored in the rear or interior side yard and must meet the yard and setback requirements for an accessory building.
- ii) A maximum of one (1) travel trailer, motor home or camper may be stored in Residential and Rural Zones. Travel trailers, motor homes and campers may be parked in parking spaces that comply with the provisions of Section 3.18 of this By-law.

3.30.2 Use
